## *Hello, Neighbor!*

We're back with the seventh edition of your community newsletter, "From the Green". We hope you will find it to be a useful vehicle for connecting with us and with your neighbors here at Erie Station Village.

"From the Green" is published on a quarterly basis, and is intended to distribute the latest news, policy updates, seasonal advice and other interesting and relevant tidbits.

We encourage you

to participate, so please feel free to email us or call us with content suggestions. While we can't promise to include them all, this is your community and your newsletter, and we will do our

best to incorporate as many ideas as possible.

So find a comfortable spot, take a few minutes off from your hectic life, and enjoy!

## Greetings From Your Community Events Organizer!

I hope you all had a great summer. Unfortunately, the weather for our Summer Picnic didn't cooperate, but we are hoping for better weather next year!

We have heard that some of our seniors are interested in having a get together. I would be more than happy to make this happen. This would be a great opportunity to meet your neighbors and form new friendships.

I am also looking for anyone interested in going on a **bus charter to Seneca Niagra Casino**. The casino is a few blocks away from the Falls, has various games to choose from, as well as a wide variety of restaurants and luxurious spa treatments. You would be able to enjoy all the casino and surrounding areas have to offer for five hours, as well as receive food and gambling vouchers.

Please contact me by phone or email if you are interested in either of these events. Additional suggestions are always welcome and greatly appreciated!

A New Park

## Just the FAQ's...

This section will appear regularly and highlight information which we find comes up frequently, from community policies to lease agreements to booking the Community Room or the status of ongoing projects.

*“What is the latest on The Meadow?”*

Work on converting the meadow into a park-like area with a lawn, several

trees and other landscape features (boulders, gardens and the like) has begun in earnest. This will require extensive work and take place in phases over the next two to three years.

We have already added many striking landscaping boulders, and several of the planned trees were just planted. We will also begin working on estab-

lishing walking paths and “lawn” areas, and eventually several new gardens to compliment these areas.

We encourage you to use the park as often as you like and hope you are pleased with the results.

## WHAT'S NEW: The Resident V.I.P. Program

**“Support  
your local  
business  
owners and  
save money  
while you  
do!”**

Our normal contributor for this column was unable to submit her article due to a death in her family. Please join us in extending her our thoughts and prayers.

In place of the regular “From the Concierge Desk” column, we are including a reminder about our new “Resident VIP Program”.

We are pleased to offer this brand new DISCOUNT program to all of our residents at Erie Station Village.

We appreciate your choosing to make your home here with us, and we will do everything we can to make your life here as convenient, comfortable and care-free as possible. Toward that end, we have created the “Resident VIP Program”. Over twenty local businesses have all agreed to extend a courtesy discount to you, our residents, which you can take full advantage of for as long as you live here.

Simply show the participating vendor your VIP Membership Card (details below) and receive a terrific discount! On top of the savings, you can also be proud of supporting local neighborhood busi-

nesses and the community you live in.

Brochures and VIP Member cards are available at the Leasing Center. The following vendors are participants in the program:

## Fitness Center Reminders

Many of you have been taking advantage of the Fitness Center. We hope you have found it to be well-outfitted and kept in good order. Here are a few reminders on proper etiquette to help keep it in tip-top shape:

1) No food or drink (other than water bottles) are allowed in the fitness center. NOTE: Someone has been trying to wash egg shells down the men's room sink. Please dispose of them in the trash and we will take it from there.

2) If you are the only person there, please turn off all lights, fans and the heat/ac;

3) Please close AND LOCK any open windows;

4) Please remember to wipe down the equipment after use.

5) Please place all weights and equipment back in their proper locations when finished. Do not leave weight plates on the smith machine for others to remove.

6) **Be sure to use the safety stops on the smith machine.**

7) Please be sure to report any equipment malfunctions to us as soon as you discover them.

8) If you'd like to see other equipment added, let us know. There isn't much extra space in there, but we will certainly look into it!

**The Pool is now closed for the season. We hope you had a chance to enjoy it!**

*-Thank you!*

Advanced levels or new beginners - doesn't matter. Contact

Tamela with your preference - what time during the night or day is good for you? We can turn on the gas fireplace, make a nice cup of tea, put some music on and get to know some of our neighbors.
